SIGHTSEEING IN COMO LAKE

COMO > CERNOBBIO > BELLAGIO > LECCO

Morning

Departure for **COMO LAKE** Tour

- **10.00 Meeting with our Real Luxury Tour Director at the Hotel**

The Tour Director, an expert officially certified sport driver instructor, will explain and show to the guest how to drive the Ferrari, managing the Formula 1 paddle-gear box. He will tell you all the Ferrari secrets, explaining differences between each model like (Ferrari 458 Speciale, Ferrari 458 Spider, Ferrari California, Ferrari FF and Ferrari F12 Berlinetta and giving informations about how to drive in sport mode with high safety level.

Como Lake is one of the most beautiful places in the world. It has absolutely stunning views of the surrounding majestic mountains with their deep valleys running through them. The clear lake water is mesmerizing and varies in colour from light green to dark green/blue. On the rare occasion when the lake is still, it mirrors the magnificent scenery that surrounds it. The towns and villages along the lakes shores are very picturesque and each one of them feels like it could be home to any number of celebrities. The Milanese tend to come to the lake for their weekend break as well as to escape the smothering city heat.

- Visit of Villa Balbianello (option)

Lunch in Bellagio at Villa Castadiva – (included)

Set on the shores of one of the world's most beautiful lakes, CastaDiva Resort & Spa was once the residence of the 19th century opera singer, Giuditta Pasta. Now an exclusive resort with lavishly decorated rooms and suites housed in nine separate villas, it is the latest hot property on the Italian Lakes. At the heart of the resort is Villa Roccabruna that houses ten magnificent suites, stunning salons.

- Time to visit Bellagio with its hand craft shops and beautiful local art gallery

Afternoon

Departure to Lecco famous for *The Promessi Sposi* romance

*Lecco itself is an array of centuries-old villas and parks decorating a mighty, mountainous background. The city enjoys an almost unique position, surrounded by a fantastic, fairytale-like countryside. Barricaded between rugged mountains, the wide basin is dominated by the **Grigne** Mountain Group, **San Martino** and the unmistakable crest of **Resegone** - mountains so beloved by artists the likes of **Alessandro Manzoni** and **Stendhal**. Lecco is a modern center that counts several interesting monuments among its possessions, both ancient and modern: for instance the Visconti Bridge and Tower. The city's fame is closely linked to its literary mentions in the novel "I Promessi sposi".*

Evening
